Marsons Media Ltd.

Goods and services supply for government and large organizations

CAPABILITY STATEMENT

COMPANY OVERVIEW

Marsons Media Ltd. supplies goods and services to federal, provincial, municipal and education buyers across Canada, and to large organizations, including IT hardware, software, furniture, fitness, shop, safety and facility equipment, and scientific instruments. We are a Canadian-owned small business, federally incorporated in 2025 and based in Mississauga, Ontario.

We quote to the buyer's specification, deliver duty paid to the dock or room, arrange installation and training where required, and stay the point of contact through invoicing and warranty.

HOW WE WORK

- **One point of contact.** The same person handles the quote, delivery and invoice.
- **Line-by-line quotes.** Each line shows the manufacturer and part number and addresses the specification.
- **Named brands or equivalents.** Where a brand or model is specified, we quote that brand or model.
- **Delivery included.** Prices are in Canadian dollars with delivery included unless stated otherwise.
- **New products only.** Supplied in original packaging with the manufacturer's warranty.
- **Warranty support.** We coordinate warranty claims with the manufacturer for the buyer.
- **Installation and training.** By the manufacturer or an installer it authorizes, in English or French.
- **Purchases under $25,000.** We respond to direct requests for quotation with a firm written quote.

WHO WE SERVE

Federal departments across Canada, Ontario ministries and agencies, municipalities, school boards, colleges, universities, hospitals, and large organizations.
